

St Patrick's School Board of Trustees Documentation & Self Review Policy

The Board of Trustees will provide a programme of internal evaluation and document how the National Education Goals are being implemented and the Catholic Character upheld. They will implement processes of internal review that identify strategies for continuous improvement that ensures quality teaching and learning are taking place at St Patrick's School.

The performance of the board is measured by the outcomes from:

- The annual report
- The triennial review programme
- The Education Review Office (ERO) report
- The Catholic Schools Education Services report
- Any other means deemed appropriate by the Board.

Approved by Board on the 23rd day of May 2019
